

# ABOUT US KO WAI MĀTOU

The Aotearoa Diabetes Collective (ADC) is a collective of health professionals forming a charitable service that provides specialist diabetes care and education. Profits from ADC go back into serving the diabetes community via the Aotearoa Diabetes Collective Trust.

Our services are delivered by highly experienced, accredited, prescribing diabetes nurse specialists. We are supported by an endocrinologist (Doctor who specialises in diabetes & other hormone disorders). We work with allied health such as dietitians, nutritionists, podiatrists, GPs, nurses and have great relationships with other diabetes teams.

## Our team is experienced in;

- Diabetes
- Screening/detection
- Medication management
- Cardiovascular disease risk reduction
- Research
- Diabetes-related technologies
- Education for whānau with diabetes
- Health care provider education
